Calendar table with 12 columns (January to December) and 31 rows (1 to 31). Each cell contains the day of the week and the name of the fair taking place on that day, color-coded to match the fair's logo. For example, January 1st is a Bank Holiday, and January 2nd is a Tuesday. The table continues with dates and fair names for the rest of the year, including Christmas Day and Boxing Day.
